

LET'S MOVE Salad Bars to Schools

SALAD BARS + SCHOOLS = MORE FRUITS AND VEGETABLES FOR CHILDREN

Let's Move Salad Bars to Schools is a comprehensive grassroots public health effort to mobilize and engage stakeholders at the local, state and national level to support salad bars in schools.

Vision: to significantly increase salad bars in schools across the country until every child has the choice of healthy fruits and vegetables every day at school.

Goal: is to fund and award 6000 salad bars over the next three years.
